

General Instructions for using Pathfinders

Both print and electronic material has been organized for your benefit.

When you see the word **KLAS**, you are being directed to books on your subject areas. A website is provided for each resource, directing you to the Learning Resource Center's online computer catalog. Simply use the given keyword terms in your search, or perform a title search. Find the correct call number and visit the LRC to check out the book.

NCLIVE means that you are being directed to the NCLIVE website in order to perform a search for a specific article or specific group of articles. Follow the instructions leading you to the given database precisely! Use the suggested keyword to obtain the correct article. **NOTE: A password is required to access NCLIVE from your home computer.**

www means you may directly access the listed article on the world wide web by clicking on the website address.

You may e-mail the librarian at ccctilrc@cccti.edu if you have further questions. Good luck on your research project!

PATHFINDER: The Color of Water, by James McBride

I. The Book and It's Author
